PRIVVA

Working at a WE Place!

PRIVVA was designed to optimize workplace with efficiency space solution yet resolve the noise & confidential issues of open planned office, PRIVVA encourage humanity connection & communication between functional areas to build engagement in the liveable office.

To blend into space with different business environment & culture, PRIVVA was developed to fulfill the needs of different work modes for all generation talents with user friendly & multiple functions PRIVVA pieces.

Design is about passion, emotion, behaviour, mental interaction and desire. It is like a mathematical problem but more complicated than that, as industrial designer my responsibility is to solve it, looking for an answer.
